

# Oak Hill Golf Association

Check out our attached calendar! Post it at home where it won't be missed and plan to join us. The board had a wonderful meeting this fall discussing their mission and direction for the upcoming season. We are hoping for a more "normal" year and are planning on a full season of all our favorite events. We are eager to hear your ideas and thoughts, so if you see one of us please share what's on your mind!

If you're not already an Association member, plan on joining us for our first tournament of the year the Brunch Scramble on May 22<sup>nd</sup>. We waive the entry fee because we want to share how much FUN we have as a group. If you are already a member, invite someone along.... The more the merrier!

Remember your \$40 dues not only gives you your USGA handicap, but it also pays your entry fee into our six scheduled single day tournaments. You many have noticed last year due to COVID the handicapping computer in the clubhouse was not available. This was in part an effort to have you post from your phone immediately after finishing your round. Ask for assistance in the clubhouse if you haven't already mastered this! Also, if you already have an active GHIN number from your "winter home course" you'll find a new rate below.

Keep your eyes on the bulletin board to find out the details and sign up sheets for each and everyone of them as they come available, or be sure to share your email address so we can send you a friendly reminder!
